

# townie choice awards 2018

## Townies have spoken!

The results are in!

Over the past few months, Townies voted in droves for their favorite orthodontic products, services and equipment—the elements that make their lives easier, their practices more productive, and their staff and patients happier.

Over the next **XX** pages, we'll spotlight the winners who earned top honors for 2018 in five major categories.

A hearty congratulations to all!

If you already use these products in your practice, you can feel great knowing that you share your peers' passion for finding the most effective ways to improve your patients' experience. (And if you're looking for a better product or service, you can see what other docs have chosen as their raving favorites.)
